

Date: November 15th, 2007

Dear Valued customers,

We would like to announce that as of January 1st, 2008, Kemapco will be directly selling and marketing its Dicalcium Phosphate product into all its international markets. This is pursuant to the expiry of its Marketing Agreement with KK Animal Nutrition of South Africa.

We are confident that this decision and direct way of working will enforce Kemapco's competitiveness in the market place and will result in a stronger direct relationship with all our valued customers.

This strategic business decision also indicates our long term business plan to keep Kemapco as a sustainable supplier of high quality DCP readily available to all markets.

For your orders and any additional information, we are glad to serve you and attend to your requests in our sales offices in Amman – Jordan at the following address:

KEMAPCO
Arab Fertilizers & Chemicals Industries Ltd.
Tel: +962 6 5670551/2
Fax: +962 6 5691169
Email: Maysoon.bahous@kemapco.com.jo
Bishara.sayegh@kemapco.com.jo

Should you require any additional information, please do not hesitate to contact us.

Looking forward for fruitful cooperation,

Sincerely,

Bassam AlZoumot

General Manager
