KEMAPCO Appoints RNZ DMCC as Sole Distributor of Potassium Nitrate in India;

We are pleased to announce that as of May1st, 2010 Kemapco have entered into a sole distributorship contract with **RNZ DMCC** to sell and distribute our Potassium nitrate product (fertilizer) in India.

Kemapco has long term plans to keep the support to this important market and assures all our valued customers in India of our dedication to work on maintaining strong and long standing business relations, and we are confident that this step will ensure enhanced service and continued smooth supply to the Indian market.

The product will be available with same premium quality and packaging and will maintain Kemapco branded bags.

Sincerely ,

Eng. Bassam Zoumot

General Manager
